EDUCATION

TON DUC THANG UNIVERSITY | Ho Chi Minh City **Aug 2023 - Present**

Bachelor of Computer Science | Expected graduation: June 2027

- Coursework: Object-Oriented Programming, Data Structures & Algorithms, Introduction to AI, Software Engineering, Mobile Apps Development, Web Programming.

PROFESSIONAL EXPERIENCE

TWOHEARTS TECHNOLOGY **6 months**

Frontend Developer & UI/UX Designer

- Designed and implemented responsive interfaces, user flows, visual refinements, and frontend integrations for dashboard and storefront experiences.
- Built the Twohearts.vn landing experience with interactive product demos, a savings calculator, and a bilingual signup flow; worked on menu discovery, product customization, and checkout interfaces.

100B.STUDIO **Apr 2026 - Present**

Co-founder & Frontend Developer

- Co-founded an engineering studio and developed its public website using Next.js, React, TypeScript, Tailwind CSS, Canvas 2D, and Framer Motion.
- Implemented a configurable wireframe hero, animated capability diagrams, a scroll-linked process timeline, and a project-inquiry flow.

SELECTED PROJECTS

Zuno - Full-stack PWA **Started May 2026**

Live application | Next.js, TypeScript

- Connected authentication, private Class Zones, posts, and voting with expressive timelines, app installation, update prompts, and contextual push notifications.

EnStudy-Hub - Vocabulary learning application **Started May 2026**

Frontend Developer & UI/UX Designer | Public alpha

- Designed and implemented the frontend for vocabulary collections, CSV import previews, review sessions, keyboard interactions, and learning-progress visualizations using Next.js and TypeScript.

CausaSent - Academic data-mining project **Started May 2026**

Ton Duc Thang University | Next.js, TypeScript, FastAPI, Server-Sent Events

- Developed a Vietnamese review-analysis dashboard connecting text or CSV input to streamed progress, aspect charts, action priorities, and searchable evidence.

RECOGNITION

F&B Track winner - Agentic AI Build Week 2026 | Team Twohearts
Organized by GenAI Fund; F&B track partner: KFC Vietnam.
